

The 15th Sunday in Ordinary time

RESPECT LIFE - The nation's Catholic bishops have a message for members of Congress: Do not turn American taxpayer-funded military base hospitals into abortion centers. They oppose language in Senate Bill 3454 which would overturn the ban on abortions at the approximately 250 military base hospitals, both domestic and overseas. Current law prohibits the performance of abortion by Department of Defense medical personnel except when the life of the mother is at risk or when the pregnancy is the result of rape or incest. Cardinal Daniel DiNardo, the chairman of the U.S. Bishops' Committee on Pro-Life Activities, urged Congress "not to impose this tremendous burden on the consciences of Catholic and other health care personnel who joined our armed services to save and protect innocent life, not to destroy it." To join the parish Respect Life Committee call Betty Steinbacher at 410 665-8645.
